

**Said She Stood Up for Germany.—**  
Karan Kolualenko, a naturalized  
alien, was charged in the city police  
court yesterday with using threaten-  
ing language to his former sweet-  
heart, Marie Rescouski. "She stands  
up for Germany and does not like  
Canada; that's the reason I threat-  
ened her," was his excuse. Marie  
states the cause goes further back  
than that, and that he wanted to kill  
her because she was living with an-  
other man. Both were bound over to  
keep the peace. The woman alleged  
that Kolualenko followed her about  
the streets and threatened her until  
she was forced to call an officer.  
Kolualenko admitted using the  
threatening language, but stated that  
it was because she belittled the sac-  
rifice made by a returned soldier who  
had lost his arm at the front.
