

# Devise New System For Handling Enemies

---

There is a new order out regarding the discharge of alien enemies from the depot battalion, it was learned today. In future all such men are to be taken with an escort before the officer in charge of registration of alien enemies and a receipt obtained. Here is the official order: "In the case of the discharge of aliens of enemy nationality, officers commanding units will ascertain whether the man has been registered with the registrar of alien enemies and if not, the man, before receiving his discharge certificate, will be delivered under escort to the registrar of alien enemies, and receipt taken for the man. The discharge certificate of the man will be delivered with the man to the registrar of alien enemies for delivery to the man when disposed of."
