

## Important Meeting of Orangemen.

—An important meeting of the county of Selkirk Orangemen will be held at the Scott Memorial Hall this evening. Wor. Bro. Fred S. J. Ivay, of Moose Jaw, a Past County Master of Moose Jaw, and President of the National British Citizenship League, is expected to be present and will probably address the brethren in the interests of the League on "Canada's Integrity in the Empire." Mr. Ivay is the originator of the League which already has a membership of some thousands in Saskatchewan and Alberta. A branch is being opened shortly at Brandon. President Ivay who is to be in the city over the weekend will be in a position to deal with the alien school and religious situation from personal experience in the west, and those who know him state that his speech will be an eye-opener.
