

AUSTRIANS AND GERMANS SENT TO NORTH COUNTRY

General Otter is gradually getting more of the Austrians and Germans away from the cities to the employment that is being provided for them. Within the last couple of days 95 men were sent from Montreal to Petawawa, 77 from Toronto and 30 from Kingston were sent to the site of the new experimental farm, 70 miles west of Cochrane, while 12 men were sent from Ottawa to Kingston to be interned there.
