

Quebec's Prison Camps.

Hon. C. J. Doherty, Minister of Justice, has recently made an inspection of the camps at Spirit Lake, Quebec and Kapuskasing, Ontario, where alien enemies are interned. There are 800 in the former and 500 in the latter camp. The men have given no trouble but a strong military guard is maintained. In the winter much land has been cleared for the model farms, and on a portion of it crops will be put under seed this season. Those interned are nearly all Austrians, and many of them propose to take up homesteads.
