

# NOW 1,400 ALIENS INTERNEED AT CAMP AT KAPUSKASING

## Army Service Corps Has Opened Store at the Camp

It is estimated that there are 1,400 alien enemies interned at Kapuskasing Camp, Northern Ontario. Lieut.-Col. Cowan has been requested to send five more Army service men for duty as there are only ten men of the corps there at present. The camp has become quite a town, and the A.S.C. are running a store to supply those engaged in clearing the land, working on the railroad and pioneer work generally. The prisoners are paid about 25 cents a day and are said to be giving little trouble to their guards.
