

# ELEVEN AUSTRIANS UNDER GUARD

---

## One Hundred and Fifty Were Examined Yesterday by the 51st Regiment.

---

There are now 11 Austrians under military guard in a tent at the canal grounds, and one is held by the police. This is the result of the work of the 51st regiment and the local police yesterday. In the morning 96 Austrians arrived in town, and from 32 that were escorted to the barracks, 9 were put under guard. In the afternoon 54 more arrived over the A.C.R. and of these 15 were examined at the barracks of whom two were detained. The others of those examined at the barracks took the oath to be peaceable citizens. Some of the men had their transportation for Austria all arranged for some time ago, their tickets being found in their possession. The work of rounding up the foreign reservists entails a good deal of work which is being efficiently done by the local regiment.
