

AT PETAWAWA

Bugler John E. Entight, of Perth, is the only bugler at the military camp at Petawawa, and has made good. Eight hundred prisoners are in camp under the control of one hundred and twenty guards which is said to be the largest guard which was ever mounted in the British Empire. Everything at the camp is in an ideal condition. One of the German prisoners when brought to camp was found to have \$1,700 on his person. Capt. Watt, of Perth, formerly of Lanark, has become a great favorite with those under his command.—Perth Courier.
