

MAJORITY OF TROOPS WILL GO TO PETAWAWA

Will be the Main Camp For Eastern Ontario—To Move Interned Aliens.

Petawawa is to be the big military camp for Ontario this summer. There is no mention of Niagara in the report of militia departmental arrangements presented to the House yesterday, and no doubt the large body of troops in training which would otherwise have been there will be sent to Petawawa. There will be a detachment at Barriefield, but the main camp for Eastern Ontario will be Petawawa.

One of the reasons for the concentration of troops at such a camp as Petawawa is to take the men away from cities.

Petawawa has been used as an internment camp for alien enemies. These will be sent elsewhere. Many of them, no doubt, especially the Austrians, will be sent to work on farms and to do other necessary work for which there is a scarcity of labor.
