

Under the auspices of the Evangelical (German) congregation a very successful supper was given in the town hall last Friday evening in aid of the Red Cross fund. The tables were heavily laden with good things, part of which were contributed by the Petawawa and Locksley congregations, and a most tempting repast was set before all who attended. The hall arrangement and the decorations were very good and the ladies were most attentive to all. The gross proceeds were about \$180. and the expenses small, so that there will be a substantial sum for Red Cross work. The spirit shown by the people of these German-Canadian congregations is a most worthy one, while their work for a patriotic purpose is most creditable and will no doubt be fully appreciated by all. Rev. Mr Sippell and the members of his congregation are to be congratulated on the success achieved and it may be taken for granted that further patriotic efforts will follow.
