

TWO MORE GERMANS TAKEN AT ST. KITTS

One Man Ran a Printing Business—The Other Worked in Paper Mills.

Special to The Star.

St. Catharines, Ont., May 11.—Following the arrest of Charles Berger, proprietor of a job printing plant here, another sensation was created when Dr. Lachmann was taken in charge by the military. Lachmann came here some time ago to take a position as superintendent of the Lincoln Paper Mills, but his pro-German utterances lost him the job recently. Lachmann was taken up socially here and made a lion of. He admitted when arrested that he is a German citizen and was a lieutenant in the German army.
