

PLOT IS UNEARTHED TO INVADE CANADA?

New York Herald Says Dominion Police Have Discovered Conspiracy

COMING ACROSS BORDER

New York, Feb. 7.—The Herald this morning prints a lengthy story to the effect that the Canadian Secret Service has uncovered a plot of enormous proportions, the purpose of which was the invasion of Canada and the destruction of the Welland Canal. The Canadian Secret Service agents working on this side of the border are reported by The Herald to have submitted these findings among others to their Government:

"That two hundred thousand Mauser rifles had been secretly furnished by German agents and were being shipped to points along the Canadian border.

"That scores of German army officers recently have arrived in the United States in the guise of Belgian refugees and from neutral ports of Europe, with the object of heading an armed force for the invasion of Canada.

"That one-third of the output of American munitions plants has been purchased by German agents masquerading as agents for the Allied Governments, and that these war supplies, the greater part composed of rifles, are stored secretly."
