

PRISONERS AT THE FORT

Are Again Asking To Be Put to Work.

The prisoners at Fort Henry since being arrested have constantly asked to be put to work or allowed to walk outside of the prison walls part of each day. The cold grey walls have a very dispiriting effect on the men, and they wish to be able to see the trees and the hills once more to relieve them from the confinement of the fort.

On Tuesday morning some of the men were engaged in working on the road leading up to the main gate. The road is in a very bad condition, and unfit for travel by either sleighs or wagons.
