

# Ukrainian Deportees.

Twenty-seven more Ukrainian deportees left the city by the Grand Trunk Railway at 8.30 this morning for Montreal where they will embark for Europe tomorrow. Among the group, all wearing badges supplied by Mr. John Keane, were several women and children. This is the first occasion since the deportations began that women and children have been included, most of the men already sent home having their families on the other side. Tomorrow twenty-five more will be sent by the C. P. R.
