

Can Silas hold Both Jobs?

Silas Carpenter, stipendary magistrate for Dominion Parks with headquarters at Bauff, has been appointed to take charge of the registration of all Germans and Austrians in the Montreal district. The appointment was made by Col. Sherwood, head of the Dominion police.

Can Mr. Carpenter still retain his job, with the nice fat salary attached, as stipendary magistrate here, while some one else does the work? Is his "pull" strong enough to enable him to draw down salaries for both jobs at the same time?
