## MONTREAL MEETING SENDS ITS GREETINGS TO JEWISH CONGRESS

Montreal, Nov. 23. — A somewhat stormy meeting of Ukrainians at Prince Arthur Hall this afternoon, at which Severn Kotstyesky was Chairman and the speakers were Rev. Dr. Redkevich and Rev. Mr. Kuzurah, resolutions were adopted protesting against the decision of the Peace Conference giving a mandate to the Poles in Galicia, which, they claim, is populated by 75 per cent. Ukrainians, 12 per cent. Jews and 13 per cent. Poles; and against massacres of Jews in Ukraine, as well as Ukrainians, by the Poles; and sending hearty greetings to the Jewish Congress to assemble here tomorrow in the national movement to protest against the massacres of Jews in Poland, Rumania and the Ukraine.

### Winnipeg Meeting.

Winnipeg, Nov. 23.—The first of a series of meetings in Canada to arouse interest in the Ukrainian situation was held here Friday evening. The principal speaker at a large gathering was U. S. Congressman J. A. Hammill, who spent three months overseas investigating the actual facts in the Ukraine. Among the other speakers was H. A. Mackie, M. P. for East Edmonton.

A resolution was enthusiastically passed asking the Canadian Government to do everything in its power to secure the recognition of the Ukrainian Republic by the allied powers, and to prevent at once any further bloodshed between the Ukrainians and the Poles. It was argued that the principle of self-determination should not be denied to a nation of 45,000,000 people. The statement was made that there were in Canada 350,000 Ukrainians.
