

## Alien Suspects Imprisoned.

Halifax, N.S., Feb. 14.—Fourteen "alien suspects," who enlisted in the first contingent, were recruited and sent to England, reached here today on the C.P.R. liner Missanable, in from Liverpool. The suspects, some admittedly of German and Austrian birth, and other aliens suspected of disloyal sentiment, were marched, each man handcuffed to a guard, to the citadel, and there imprisoned.
