

# **ALIENS INTERNED DOING WORK TO VALUE \$1,500,000 A YEAR IN THE DOMINION**

---

The value of work done by alien enemies who have been interned is estimated at \$1,500,000 per year. The prisoners have been engaged upon clearing land, road construction and cutting pulp wood at the two experimental farms in the north.

Twenty German prisoners have been taken from Newfoundland to the internment camp at Amherst, N. S. They have been taken from captured vessels.
