

Foreclose German's Property —

Slowly but surely the economic resources of the Germans are being exhausted by the relentless wearing down policy of the allies. This morning one German, Carl von Mackensen, was foreclosed out of a property on Latimer Road, Burnaby, mortgaged for about \$7000 to the Buscombe Securities Company, Ltd. Personal judgment for the amount of the covenants, approximately \$7000, was also given. Carl von Mackensen is a brother of the famous general. He is now in the internment camp at Vernon.
