

# TO RECRUIT N.W.M.P. UP TO THEIR FULL STRENGTH OF 1,200

---

## To Extend Operations to Northwestern Ontario and British Columbia

---

Ottawa, May 13.—In the Commons yesterday Hon. N. W. Rowell, the minister in charge of the administration of the Royal North West Mounted Police, announced that the force was to be recruited up to full strength of 1,200 and that its operations would be extended to Northwestern Ontario and to British Columbia. He paid a glowing tribute to the force and spoke at some length on their splendid war record.
