

It should be generally made known that autos cannot go to the Cave and Basin until the road is fixed, which will be in about a month. Even then the Minister will have to formally declare the road open to autos. Motors may go to the C.P.R. Hotel round the Loop via Spray Avenue only to Bankhead, C.P.R. Depot and along auto road over track to Canmore and so on, but may not go out to Lake Minnewanka or up to the Hot Springs.
