

To Centralize R.N.W.M.P.—According to Commissioner A. B. Perry, all detachments of the Royal Northwest Mounted Police, excepting those stationed at Banff and coal mine towns, will be called to divisional headquarters. The members of the force in Alberta will be stationed at Calgary, Edmonton, Macleod and Lethbridge, in order that they may be dispatched quickly to any point where trouble threatens in that province. The Saskatchewan section of the force will be concentrated at Regina. It is the intention of the authorities at Ottawa to constantly patrol the whole of the international boundary line.
