

ALL AUSTRIANS IN OTTAWA TO BE READY FOR ORDERS

Consul General in Montreal Sends Word to His Countrymen to Be Prepared to Fight.

All Austrians in Ottawa have received an order from the Consul-General in Montreal to hold themselves in readiness for further orders. The message was transmitted to the secretary of the local branch of the Polish and Ukrainian Social Democratic Society this morning.

The order in part, after informing them to prepare for an emergency call, states, "Those who have no funds will be provided with money by the consul for their transportation to Austria."

In addition to this summons from the Austrian consul, an old country German from North Bay arrived in Ottawa this morning and registered at the Windsor for breakfast on his way to Montreal, where he will sail for Germany. He stated to a reporter this morning that a general order had been issued to all Germans resident in Canada to hold themselves in readiness for an emergency call to the colors of the Fatherland.
