Mobilization Order Is Published at Winnipeg—Amnesty Promised to Deserters

WINNIPEG, July 20.—The official proclamation of the partial mobilization order issued by the Government of Austria-Hungary is published in Winnipeg today in The Ukrainian Voice and other papers of the nationalities of these men.

The men concerned in the mobilization are being informed by announcement cards in addition to the mobilization order. The order promises the expenses of traveling.

The proclamation promises a full amnesty to all those who will immediately return. This embraces those who are deserters and would not show up but for this promise.

It is very difficult to obtain any information regarding the number of Servians in Western Canada, although orders for mobilization have been issued to them. There are not many Servians in Winnipeg, but Moose Jaw and Regina have quite a number. Sixty Winnipeg Austrians leave for the front next Wednesday.
