

**Loyal Bohemians**—A resolution expressing loyalty to Canada and Great Britain and calling upon all Bohemians in Winnipeg to volunteer for active service, was unanimously passed at a mass meeting of Bohemian citizens of Winnipeg, held in the old Miami church last evening. Previous to the passing of the resolution the treatment accorded Bohemians by Austria and Germany during the preceding years was gone into, and Jos. Dojacek, one of the speakers, spoke with pride of the 25,000 Bohemians who had already deserted to the Serbians. There are more than nine million Bohemians living in Bohemia, Moravia and Sillizia.
