

MORE AUSTRIANS UNDER GUARD

Five of Nineteen on Train Were Taken in Charge Last Evening.

When the Algoma Central train arrived from the north last evening nineteen Austrians were arrested by the 51st Rifles. Of this number ten were found to be reservists, five of whom were released on parole, after making a declaration that they would keep the peace. The other five were placed under guard. One even indulged in some threats as to what he would do. There are now nineteen Austrians under guard here.
