

# FOREIGNERS IN CANADA MUST GIVE UP WEAPONS

**But No Trouble is Anticipated  
By Brandon Police.**

---

Ottawa, Sept. 2.—An order-in-council prohibits the possession in Canada by an alien enemy of firearms, ammunition, dynamite, gunpowder, or other dangerous explosives. Such persons are required to deliver up all arms or explosives within ten days to a justice of the peace or an officer or constable of the mounted police.

In suspected cases a search may be made without warrant. If this takes place after the ten-day period the offender shall be liable to a fine of \$500 and imprisonment for three months.

---

Enquiry at the local police station shows that Chief Esselmont notified all dealers in weapons or explosives some time ago to stop the sale of these things to foreigners. At the present time very few, if any, foreigners here are in possession of firearms. However, the provisions of this order will be strictly carried out.
