

AUSTRIANS WITH \$500

Three Austrians, with railway tickets and boat tickets to Europe, were taken off a Grand Trunk train at Windsor on Saturday night and turned over to the military authorities as prisoners of war. They will be held at the Windsor Armory for a few days, and will later be taken to Kingston prison until the war is over. They had \$500 between them. More than fifty foreigners have been arrested in Windsor since the outbreak of the war.
