

HALF MILLION GERMANS ARM; CANADA WARNED OF INVASION

Montreal Man Informed in Letter of an Ambitious Plan

By Canadian Press.

Montreal, Nov. 2.—The stories that the Germans of the United States are contemplating a raid on Canada have been given emphasis by a letter received by Mr. William Galbraith, former Mayor of Westmount on Saturday. The letter which came from the vice-president of one of the big-

gest railways in the Western States said:

"I overheard a conversation last night on a steamboat going from Norfolk to Richmond. It was between Germans, and to the effect that all the German singing societies, which are 500,000 strong, are carrying on a propaganda of secret arming and other arrangements for the purpose of attacking Canada from this side. It will pay Canada to be on her guard against anything like this. The Germans here are bitter partisans and will attempt anything to beat the British, and involve this country in the conflict."

Steps have been taken to bring this information to the attention of the Dominion Government.
