Enemies of King*

Special to The Daily News.

Niagara Falls, Ont., Nov. 20.—

Mr. Joseph Snyder, 60 years old, was this afternoon held for the High Court on a charge of high treason. This action followed a hearing before Magistrate Fraser.

Richard and Arthur Snyder, sons of Joseph, were discharged, the evidence showing that they had nothing to do with the case, they only being present when the money was paid over. The charge alleges that Snyder agreed to take four Austrian reservists across the river to the American side for \$40, Snyder knowing them to be enemies of His Majesty the King.
