

## WILL PROTEST TO PREMIER ABOUT GERMAN PROFESSORS.

Strong Deputation of Prominent Men  
to Wait on Hon. Mr. Hearst Next  
Week and Ask That He Act.

Toronto, Dec. 12. — As a protest against the action of the Board of Governors of the University of Toronto in allowing leave of absence on full pay to the three German professors who have become the object of so much public attention, a deputation consisting of influential men will wait on the Hon. W. H. Hearst, Premier of Ontario, the first of next week. The deputation will ask that the Government take the necessary steps to set aside the decision of the Board of Governors, and to settle the University issue permanently.
