

Austro-German Clean-Up

Winnipeg, December 24.—A general clean up has been made by the military authorities in the Emerson district during the past few days and a large number of rifles, guns, revolvers and ammunition has been confiscated, all the property of German and Austrian residents.

Four arrests were made in connection with the general clean-up. Nothing can be learned from the military authorities as to the final disposition of the suspects, who have been sent to Brandon, where they are now interned.
