## Four Hundred Austrians and Germans Sent to Clear Land in the West.

---

Sir William Otter, who has charge of the internment of aliens of enemy nationality, has arranged to send 400 Austrians and Germans from Port Arthur and Fort William to a point 80 miles west on the C.P.R., to clear 2,000 acres of land for settlement.

Numerous applications for release from internment are still being received by General Otter. Amongst these are the 40 men of German birth who were sent back from the Canadian contingent at Salisbury Plain. They are interned at Halifax, along with 16 German reservists who were taken off the steamer *Montserrat* which was brought into Halifax last December.
