

# DOMESTIC WANTS EXEAT

## Miss Schwarz Has Three Brothers in German Army.

Miss Charlotte Schwarz, who has been employed as a children's nurse by Mrs. Trainmin, 89 Howland avenue, is a native of Bayreuth, Germany, and has applied for an exeat. She fears unemployment in Canada and wants to go to her friend, Mrs. A. Jaffrey, 852 East Eagle street, Buffalo, until she secures a position. She came to Canada to learn English, securing a position through the Canadian office at Charing Cross, London, with Mrs. Hobson, 56 Charlton avenue, West Hamilton, in September, 1913. Six brothers are in Germany, three in the army, and a fourth likely to be called.

Her application has not yet been disposed of, as she has not yet furnished recommendation nor discussed her case at the alien office.

Olga Roething, of Berlin, was employed in the household by Dr. A. S. Thompson, 1400 Queen street west, as a domestic. She is a native of Berlin, and, save for her mother, alone in the world. She has lost touch with her mother, and is worrying. She was given permission to go to New York.
