## *Von Horn's Crime Result of Propaganda of Pro-Ger- man Element*

---

**Canadian Associated Cable.**

London, Feb. 5.—Alluding to the dynamiting at the Vanceboro bridge, The Pall Mall Gazette editorially says to-day: "It is exceedingly likely the insane ferocity thus displayed in Canadian territory may yet manifest itself in the United States. The propaganda of which Von Horn's crime is the result, needs all the watching the American police can give it."
