

PRISONERS OF WAR NOW NEAR TWO HUNDRED MARK

German Reservist Brought in Yesterday from Boissevain.

There are now interned at the Winter Fair arena one hundred and ninety-three German and Austrian prisoners of war, the latter nationality predominating. In addition to this number five are out on parole.

Almost every day brings one or two to be added to those already in the vigilant custody of the 45th Battalion.

An escort yesterday under Corp. Tubbs, brought in a German reservist who was caught in the act of attempting to join this country's enemies. This recalcitrant Teuton was arrested at Boissevain.
