

S. H. Carpenter Returns West.

Montreal, Feb. 5.—After a stay of four months in charge of the alien registration department of the government, Silas H. Carpenter, ex-chief detective of Montreal and ex-chief of police of Edmonton, returns tonight to his home in Alberta to resume duties as commissioner of parks for the western division of the Dominion. He has

succeeded admirably in holding Ger-
man and Austrian residents at atten-
tion, and his tactful handling of these
people is now a matter of local his-
tory. Chief Carpenter's place here
be taken by an officer from the staff
Col. Sherwood, chief commissioner of
police, Ottawa. Meanwhile they
under the charge of Hugh McCa-
Carpenter's private secretary.
