

MORE ALIENS INTERNED

200 Austrians Leave Today for Prison Camp

Austrian subjects to the number of two hundred will be taken this morning to the military prison at Spirit Lake, P.Q., where there are already four hundred of them. An escort, under command of Captain G. A. Dillon, of the 55th Irish Canadian Rangers, will be in charge of the party of alien enemies. Ninety per cent. of those who will go to Spirit Lake today are men who were starving in the city, where, owing to the general depression and the fact that they are enemies, they were unable to secure work.
