

Declared German Flag Would Fly Over Canada

August Becker, a clerk employed by the Goodyear Tire Company, and of German birth, was interned yesterday by the Registrar of **Alien Enemies** for seditious remarks. Becker quite freely expressed the opinion that the German flag would soon be flying over Canada. His statements were referred to the police by private individuals.

MR. CAMERON NOT RESIGNED.

Recent Hint Led to Report He Had Taken Action.

Mr. I. H. Cameron has written *The Globe* denying that he has resigned the Chair of Surgery in the University of Toronto. President Falconer stated yesterday that he had not received any such resignation. It is understood that in medical circles Mr. Cameron had hinted at his resignation, but he has taken no action in the matter.

RYERSONS DOING WELL.

Mr. Yoris Ryerson yesterday received a cablegram from his father, Col. G. Sterling Ryerson, stating that Miss Laura Ryerson, who was one of the survivors of the Lusitania disaster, had arrived safely in London, and was in good health. The message also mentioned that Lieut. Arthur Ryerson, who was recently wounded at the front, was progressing favorably, and expected to leave the hospital within two weeks. He has been granted three months' leave of absence by the War Office.
