

45TH BATT. HAVE NO ORDERS ABOUT GOING TO SEWELL

**Colonel Clark Expects to Receive
Orders to Leave Very Soon.**

**MAY BE OTHER TROOPS
HERE.**

**Interned Aliens Must be Guarded
So Troops Must be Here.**

While no official orders have been received, it is confidently expected that the 45th Battalion will move out to Sewell camp either at the end of the present week or at the beginning of next. Other infantry regiments are already moving to the great military camp and the question of the other battalions being taken thither is to be governed largely by arrangements at the camp grounds. Col. Clark expressed this opinion this morning. He had no word from the authorities, he said, but he felt certain they would move at the time indicated. Whether other troops will replace the 45th here, the Colonel could give no information, but he thought in all probability there would be other troops here within a very short time.
