

MANY MORE ALIEN

ENEMIES INTERNED

Large Contingent of Germans and Austrians Brought From Jamaica to Nova Scotia.

The number of alien enemies interned in Canada is being very considerably increased. Another 350 Germans and Austrians are being brought from Jamaica to Nova Scotia, where they will be interned at Amherst. Any German officers amongst them will be interned with those of the previous party at the citadel at Halifax.

During the past week 425 men, mostly Austrians, have been interned at Brandon. These were some of the men who marched from Winnipeg in an attempt to cross over to the United States.

A considerable number of Germans and Austrians were also interned at Victoria last week. Seventy men have just been sent from Toronto to Kapushasing and one hundred more will be sent there from Port Arthur tomorrow. In British Columbia arrangements are being made to employ prisoners of war on the building of a government road near Vernon.

Another party of sixty women and children have been taken up to Spirit Lake, where they will join the heads of their families, who are being allowed to settle on land near the experimental farm.
