
TORONTO POLICE ON GUARD OVER ALIEN ENEMIES

For several days past there has been a misunderstanding concerning who is the Registrar of Aliens in Toronto. Mr. J. Russell Snow, K.C., who has been in charge since the establishment of the office, claimed he was the Registrar, and Chief of Police Col. Grasett also claimed the office. Yesterday Mr. Snow was engaged at Osgoode Hall and the Chief of Police transacted the above business. In a despatch from Ottawa yesterday it was stated that the matter was not yet settled concerning who will be Registrar. The despatch added that it would be announced within a few days.
