

CHURCH IS NOT PRO-GERMAN

Rev. John Keebley Corrects ~~Erroneous~~
Erroneous Reports.

Rev. John Keebley, pastor of St. Paul's English Evangelical Lutheran Church, at a patriotic meeting held by the church in aid of the Red Cross Society last night, endeavored to correct the impression which he said had gone abroad that his church was pro-German. He spoke with pride of the four members of his congregation now at the front and others on their way.

"I have heard it stated several times that our loyalty could be questioned, and I wish to state emphatically that this is false," he said.

The speaker of the evening was Mr. Henry T. Smith, editor of the Masonic Sun, who gave an address on the greatness of Canada and the future in store for Canadians. A patriotic musical program was rendered.
