

Men Arrested on Charge of Treason

Alleged to Have Been Helping Austrians Across Border

Constable Symons, of the Provincial Police with headquarters at Port Arthur, rounded up three men and eleven Austrians yesterday morning. The three men will face a charge of treason, as it is alleged they were attempting to smuggle the Austrians across the border. The Austrians were caught on board a gasoline launch with everything ready for a run down the shore of Thunder Bay to American territory.
