

WAITING FOR JUDGMENTS

On Charity Tax Injunction and Interned Austrian

Judgment is expected this afternoon, or at the latest by Saturday morning, in the action of the Dominion Park Company, Ltd., to restrain the City of Montreal from collecting

the cent tax for the poor. Mr. Justice Maclellennan heard the argument. Judgment will also probably be rendered in the case of the interned Austrian who is seeking to secure his release from detention quarters on a writ of habeas corpus.
