

# ALIEN ENEMY ARRESTED

---

Fred Wilk, registered as an alien enemy appeared before Magistrate Primrose today on a charge of being an alien enemy in possession of firearms. Wilk protested that he was a naturalized British subject, and to enable him to produce evidence to this effect the case was set over until Tuesday.

The defendant was on the alien register, but failed to report to the chief of police. In consequence officers went to his home and made a search which disclosed a carbine and forty or fifty rounds of ammunition. Wilk was not in evidence and further inquiry showed that he was out on a farm. The Mounted police were notified of the circumstances and Sergt. Davis, R.N.W.M.P., brought him back to the city yesterday.
