## Henry Watterson Says German Boasting Must be Obliterated

Toronto, Ont., Sept. 14. — "I get mad clean through every time I think about this 'damn fool' business Germany has been trying to put over. It takes me back to '61, when some of our Southern confederates talked the same crazy nonsense we have been getting from the German professors," said Col. Henry Watterson, of the Louisville Courier-Journal, who spent a few hours in Toronto on Sunday. "It will be a relief to thousands of decent Germans when their swash-buckling braggarts get their knock-out. All this aping of the Huns, this 'frightfulness,' this hellish barbarism, will go down like a house of cards. Every time I think of Belgium and the Lusitania and the Zeppelins, I get mad and want to fight as I never fought back in the sixties. This half-made Hohenzollern dynasty, with all its holy barbarian 'kultur' must first be smashed or there can be no peace for any of us."
