

COL. LOGIE APPROVES

Grateful to Sportsmen's Patriotic Association.

Col. Logie has written Secretary F. C. Sutherland of the Sportsmen's Patriotic Association in regard to the establishment of a soldiers' club in the Liederkrantz building on Richmond street west as follows:

"I have your kind and generous letter of October 5, which I have handed over to Camp Sergt.-Major Farley to make whatever arrangements he sees fit in the matter.

"I heartily approve of the idea, and wish you would convey to your members my sense of gratitude in this matter."
