

## THEY WORKED FOR CANADA.

---

### Aliens Produce Over Million Dollars in Back Woods.

Canadian Press Despatch.

Ottawa, Nov. 10.—The value of Canada's alien enemy **interned** is estimated to date at \$1,500,000 for the work of clearing land in which the German and Austrians have been engaged throughout the summer. A hundred German interns from Newfoundland have been added to the number of Canada war prisoners recently.
