

# ALIEN CAMP RECRUITS

---

Men to Be Drafted from Among Returned Soldiers.

Authorization has been given for the drafting of men for service in the alien camp at Jasper Park. Arrangements had been made to take possession of the camp on January 22, but this may be delayed owing to the severe weather handicapping the bulldozers at the camps. All returned soldiers are requested to report to B. F. Blackburn, secretary of the Returned Soldiers' bureau, corner of 101A avenue and 100th street, opposite the postoffice. The men will undergo a physical examination by Major Dr. Hielop before they are enrolled.
